

**To Whom It May Concern**

Noonan Services have used Cardiff Windows for window cleaning over a number of years without issue. Always willing to go the extra mile, Lee Clark and his team offer a professional and efficient service always ready to re-schedule their workload where necessary to undertake urgent work.

I would not hesitate to recommend Cardiff Windows, I know they value our business and in turn we value their dedication to our Client's needs. It is a pleasure to work with them.

Yours sincerely
